

# **FISCAL NOTE**

## **HJR 62**

January 31, 2007

**SUMMARY OF BILL:** Urges all county health departments to allow properly trained employees to take the blood pressures of individuals presenting themselves for treatment without orders from physicians. A copy of this resolution shall be transmitted to each local health director.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase State Expenditures – Not Significant / One-Time**

Assumptions:

- Any one-time increase in state expenditures to transmit copies of this resolution to the appropriate persons is estimated to be not significant.
- According to the Department of Health, individuals can currently enter the local health departments and get their blood pressure taken without a doctor's note. Currently, only trained personnel are able to take an individual's blood pressure.

### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a smaller, more compact script than the last name "White".
